

**Advanced Studies of the Human Aura with El Morya, Part 2**  
**Meru University Course 1004**  
**SYLLABUS**

**Dates:** Seven consecutive Sundays—May 9 through June 20, including May 16 from Sweden

**Time:** 9:30—11:00 a.m. MDT

**Instructors:** Beloved El Morya, David Lewis and Cheryl Bench

**Vision**

Djwal Kul gave the following vision for **Advanced Studies of the Human Aura** on page 106 of the book *The Human Aura*, published by Summit University Press: “When we have concluded these studies and the souls of our chelas have become prototypes of the Christed One, then the Master El Morya will set forth his course on Advanced Studies of the Human Aura presently being given to certain initiates of the white fire attending classes in their finer bodies at the etheric Retreat of God’s Will in Darjeeling, India. As my own humble effort is toward the plane of the Christ, so that of the Lord of the First Ray will be toward the development of God Consciousness, not only for the Aquarian Age but for all ages to come.”

**Objectives**

We will continue with El Morya from **Advanced Studies of the Human Aura, Part 1**, to learn more about the human aura and also the divine aura of our Solar Presence, so that when we accept its divinity and its radiance around us through this living, liquid crystal diamond light energy, we are raised up fully into our reality, our highest being. El Morya will release teachings on higher adeptship for the Aquarian Age vis-à-vis the aura. He will speak of new technologies of the spirit that we can engage as we draw forth the resource of our Presence and its light through our crystal cord to energize our chakras and to activate each spinning wheel of those chakras with a greater oil of sanctity and presence—and of bringing to bear in our worlds and the worlds of our loved ones, our communities, our nations and the entire earth a greater magnanimity of the Spirit because we are living in a new dimension of Presence.

#### **Recommendations:**

In his HeartStream of December 26, 2009, Saint Germain said,

*"Even the Master Morya's desire to release his instruction on advanced studies of the human aura through Meru University is one that can cause a planetary shift in and of itself. Prepare and make yourselves ready by cleansing your auras, by studying again the first two volumes in this series released through our previous*

*Messengers, by taking to heart every word and making them applicable in your life. You can be a generating field, a crystalline prism of light for the master, such that when he releases his teaching it can be rayed forth through your awareness to the souls of humanity, dearest ones."*

In his HeartStream of December 27, 2009, Lanto said:

*... students "attune through their own Higher Self to that which they must receive personally from their own Buddhic awareness and God Presence."*

In his HeartStream on February 25, 2010, Kuthumi described Part One of this course:

*"This will be a profound delivery of light, for the master has prepared many cosmic concepts, visuals and revelatory principles for each student that will, when imbibed and assimilated, allow an aspect of cosmic consciousness and holy presence to abide within your aura."*

On February 26, 2010, Lanello added:

*"I can tell you that if I had to choose one Meru University course to attend during this entire millennia, it would be this one where the master of the first ray will use this opportunity to multiply these new blue frequencies within the atmosphere, the aura of the earth itself."*

*This is not just a revelatory teaching that will be delivered unto you; it is a cosmic activity of such divine splendor whereby the master, through that teaching, delivers the highest essence of his own Godhood into your very spiritual bloodstream and deep into the earth."*
